SUPPLEMENT TO AMENDMENT

ARROWHEAD MINISTRIES, INC. ("Arrowhead"), by its attorneys and pursuant to the request of counsel for the Mass Media Bureau, hereby submits a Supplement to its amended application, filed December 11, 1992.

The Supplement, appended hereto, consists of the applicant's certification that before commencement of construction of Arrowhead's facilities, an agreement will be in place requiring all of the occupants of Arrowhead's shared antenna tower to reduce power or cease operations as necessary to assure worker safety with respect to radio-frequency radiation when maintenance is to be performed at the site. Arrowhead proposes to locate its antenna on an existing structure which also supports the antenna

of one other broadcast station, WKGB(FM), Susquehanna, Pennsylvania.

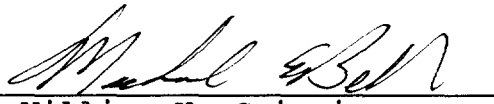

Counsel for the Mass Media Bureau recently informed Arrowhead's counsel that this certification is required pursuant to Russ Robinson, DA 92-1591 at ¶ 3 (released December 8, 1992) (Hearing Designation Order).

In addition, Arrowhead submits a revised Exhibit E-6, Figure 2, which correctly identifies the second adjacent channel to Arrowhead's proposed facility, Channel 213A, as WHRW(FM), Binghamton, New York. Arrowhead inadvertently identified WHRW as "WHWR" on Channel 211A in its application.

IN VIEW OF THE FOREGOING, Arrowhead respectfully requests that its Supplement be accepted.

Respectfully submitted,

ARROWHEAD MINISTRIES, INC.

AMENDMENT TO APPLICATION

CERTIFICATION

Arrowhead Ministries, Inc. ("Arrowhead") proposes to locate its antenna on an existing tower structure which also supports the antenna of one other broadcast station, WKGB(FM), Susquehanna, Pennsylvania.

Before commencement of construction of Arrowhead's facilities, an agreement will be in effect requiring Arrowhead and WKGB(FM) to reduce power or cease operations as necessary to assure worker safety with respect to radio-frequency radiation when maintenance is to be performed at the site.

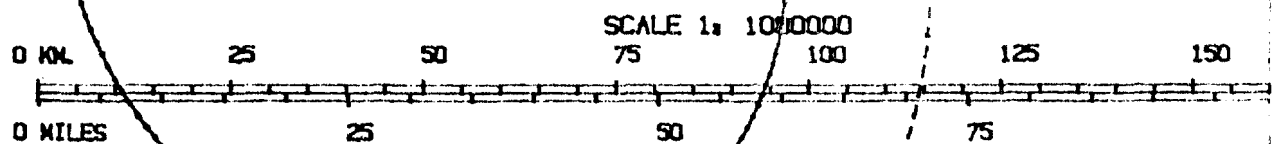

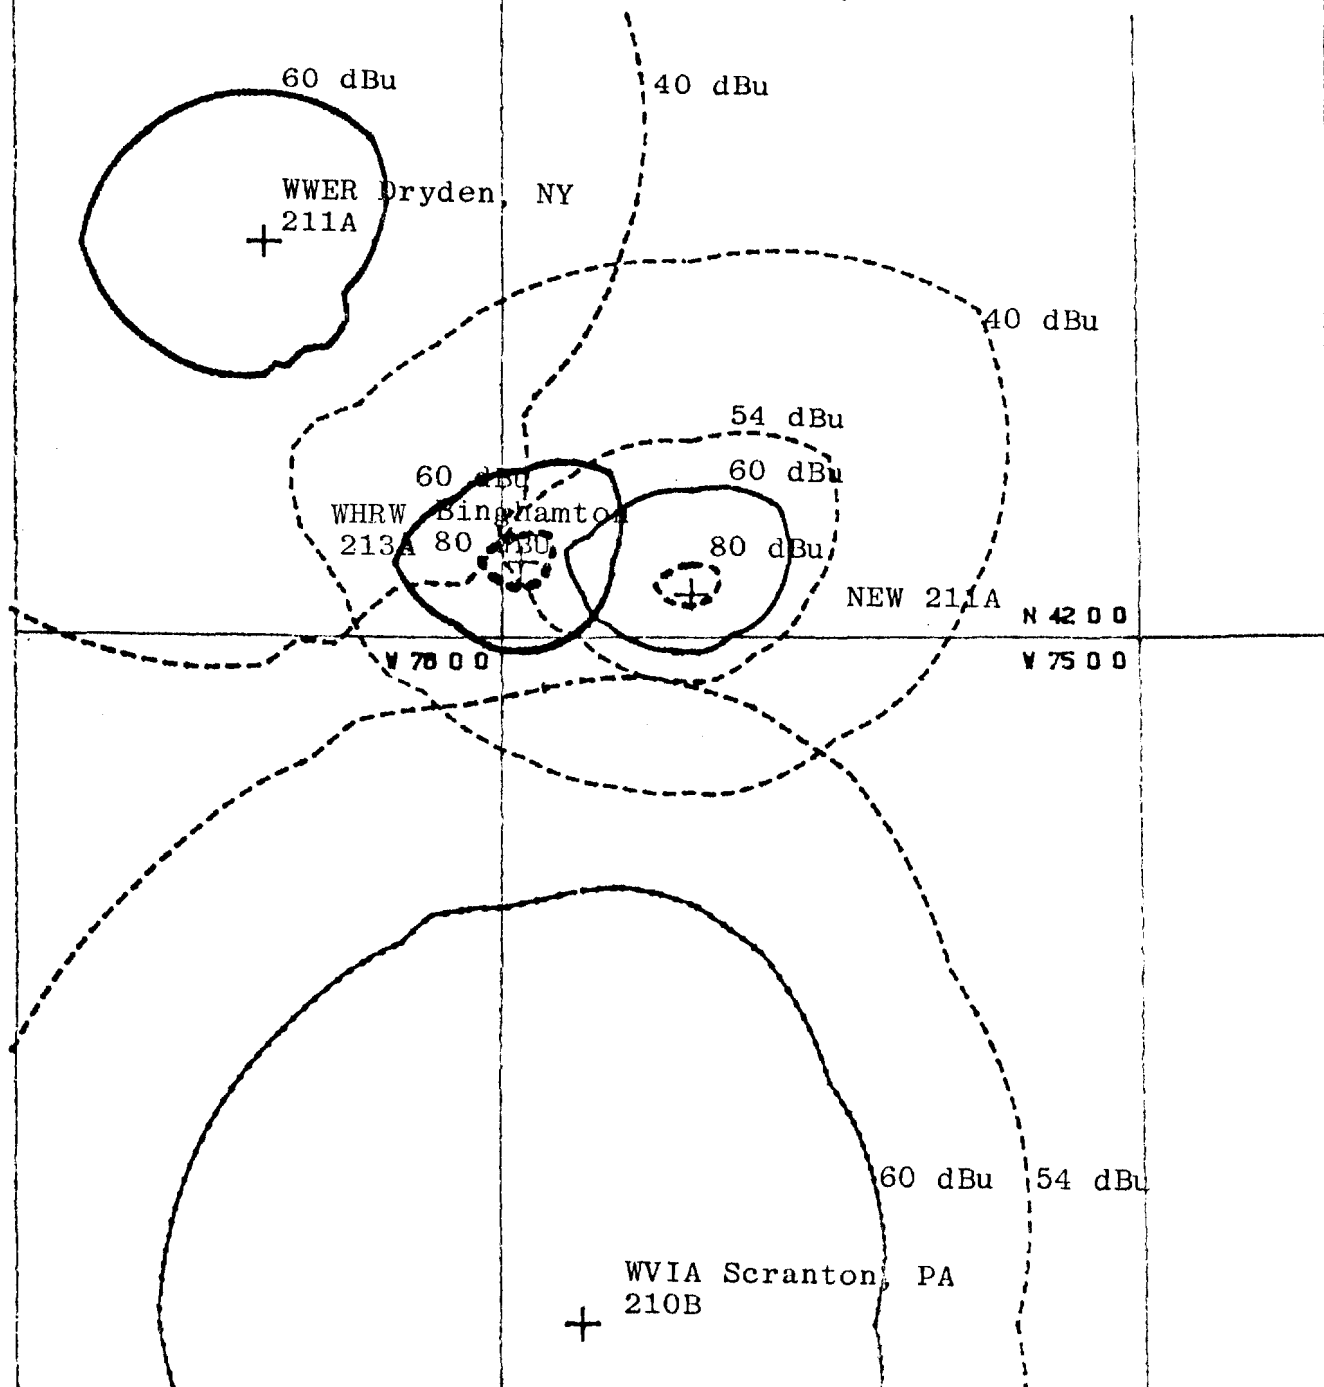

Executed on December 22, 1992.
